Note: The Delaware Attorney General has indicated that this provision refers to any other person with knowledge, suggesting that everyone is a potential mandated reporter. However, a Delaware state court decision suggested that only those enumerated positions above are mandatory reporters. See Hedrick v. Quest Diagnostics Clinical Labs., 807 A.2d 584, 589-90 (Del. Super. 2002). Because the law is unclear on this issue, everyone should report all instances of suspected child abuse or neglect to avoid any criminal or civil liability.

An oral report shall be made immediately and can be made through the 24-hour statewide toll-free hotline (1-800-292-9582) or the online reporting system at http://kids.delaware.gov/fs/fs_iseethesigns.shtml. A written report must be made if requested.
